#### Who provides the cover?

BMW Shortfall is underwritten by Allianz Insurance plc and administered by Mondial Assistance (UK) Limited.

#### How long does the cover last?

You can choose a period of cover of either 2, 3 or 4 years. Cover continues until the end of the period or until the earlier of the following events:

- the date the policy is cancelled either by you or by Allianz Insurance plc;
- the date the premium or a premium instalment is not paid;

Full details can be found in the policy booklet under "When the cover ends".

#### What is covered by the policy?

- The insured vehicle must be a BMW car with a UK specification that has not been built to be sold outside the UK. The car must be supplied by an authorised BMW Dealer.
- Dealer fitted options up to a maximum value of £2,000 and manufacturer factory fitted options can be included in the invoice price.

#### How does the policy work?

If your insured vehicle is declared a total loss, due to an incident covered under your motor insurance policy, we will pay the lower of the following:

- Where the early settlement amount is greater than the invoice price: the difference between the early settlement amount and the motor insurance settlement; or
- the difference between the motor insurance settlement and the invoice price; or
- the level of cover shown in the confirmation of cover and:

up to £500 in respect of any excess you are required to pay to the motor insurer as part of your claim for a total loss in the 12 months immediately after the start date. This amount reduces to £250 thereafter.

In the event your motor insurer provides you with a replacement vehicle, we will transfer the unexpired term of this insurance to the replacement vehicle at no extra cost.
